## NOTES/COMMENTS:

Dear Examiner Dexter:

I am faxing a Response to Quayle Action duly executed by the inventor, Adolf Brodbeck, as instructed by Examiner Tony Knight of the USPTO Petitions Office. Please issue an Examiner's Amendment to allow the claims as you set forth in the Quayle Action of 12/09/2009. As stated in the Response submitted herewith, this is requested by the inventor and is merely submitted on the inventor's behalf, and on behalf of the deceased attorney's office. Since there appears to have been a mistake in M. Robert Kestenbaum's data for his address of record with the USPTO, could you please be sure that any correspondence is sent to 11011 BERMUDA DUNES NE (rather than 11011 Bermuda NE)? There seems to have been an error in conjunction with Mr. Kestenbaum's USPTO address recently.

The inventor is looking forward to having the claims for this case allowed, so we appreciate your making the Examiner's Amendment as soon as possible.

Thank you in advance.

Sincerely,

Laurie Kestenbaum

on behalf of M. Robert Kestenbaum (Reg. No. 20,430) and inventor Adolf Brodbeck
